

## TRIP TO MARAEROA MARAE IN WAITANGIRUA ON TUESDAY 25 MARCH 9.45 FOR 10

We are booked to visit the marae at 10 on Tuesday 25 March. The Marae is at 216 Warspite Avenue, opposite the Waitangirua shopping centre, where you'll see a sign for the Maraeroa Marae Health Clinic. There is parking behind the marae.

In accordance with protocol we will be greeted and welcomed onto the marae, where we will have morning tea. There will then be a talk about the history of the marae and its place in the Porirua East community. I expect we will also be shown round the complex.

Please bring a few savoury or sweet nibbles to share, and \$2 each towards a contribution I will make on our behalf towards the running of the Marae. Please gather at the Marae at 9.45 so I can collect your \$2 contributions and we can get ready to approach the Marae.

I have promised to let the Marae Chairman know how many will be in our group, so please reply if you will be coming. You are welcome to join the group whether you expressed interest or not.

There is the possibility that the Marae will be needed for an event at short notice, such as a tangi. If so I will let you know.

I am looking forward to a fascinating visit, and I hope you will take advantage of this opportunity. If you have any queries don't hesitate to text or ring me on 027 677 0180.

Bill Gebbie
