

Come along to Trentham Racecourse on Saturday 27 January for Family Day at the Races. Here's a link to information about the day <https://wellingtonracing.co.nz/family-day-races>. We'll be taking the train into Wellington and then out to Trentham in time to watch the first race at 12.25. There's nothing like the atmosphere at the races and you may even want to place a bet or two. Admission is free and the train stops directly opposite the entrance. We'll have lunch together at the racecourse.

Let Bill Gebbie know if you'd like to come along and he'll send you further details closer to the time. Phone or text Bill on 0276770180 or email him on billnmary@xtra.co.nz
