Intro to AI

- What is AI?
- What is ChatGPT?
- What it can and can't do
- How to use it
- Where does it live?

What is AI?

Narrow AI

- Performs specific tasks
- Internet search engines use it
- Information retrieval system
- Transactional
- Been around for about 15-20 years

Generative AI

- Can create content, code, images, music
- Converses with the user
- Makes predictive suggestions based on training data
- Been around since 2022

General AI

- A theoretical future of what AI might do
- Purely speculative
- Might be proved in the future

What is ChatGPT?

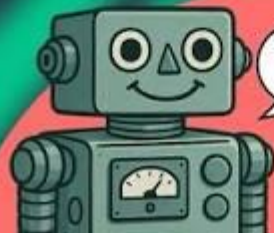

What are the drawbacks of ChatGPT?

- It can hallucinate
- Not objective (bias)
- Not consistent
- Privacy
- Ethical
- Ecological

Hallucinate

What Is Hallucination?

Hallucination = when an AI gives an answer that sounds right... but isn't based on real facts. It's not lying. It just doesn't know. It fills in the blanks with guesses.

Bananas are blue

Bias

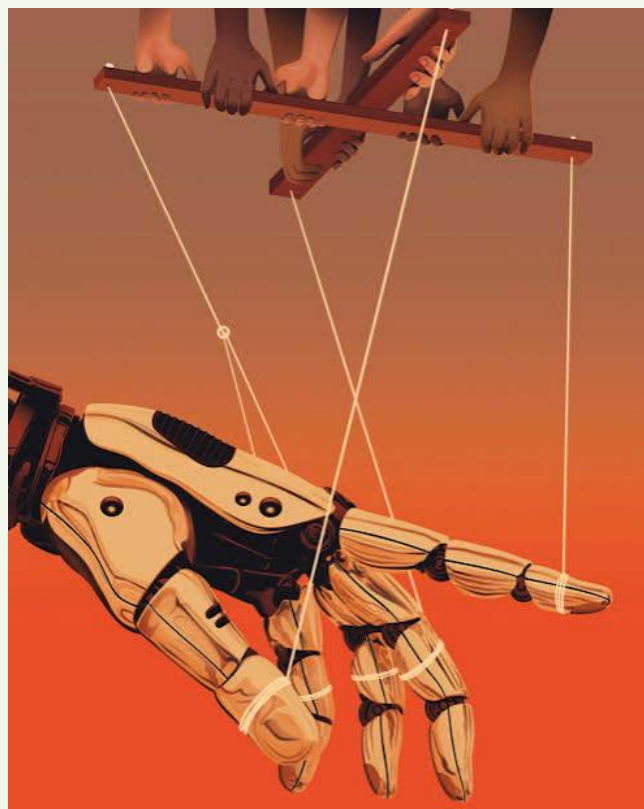

Not Consistent

- Quick intro (you + participants)
- Session goals:
 - What ChatGPT is
 - How to use it effectively
 - Real-world applications
- Icebreaker:
 - “What have you used AI for already?”
- Understand what ChatGPT is and how it works (at a high level)
- Write effective prompts using simple frameworks
- Use ChatGPT for real tasks (work, study, everyday life)
- Recognize limitations, risks, and best practices

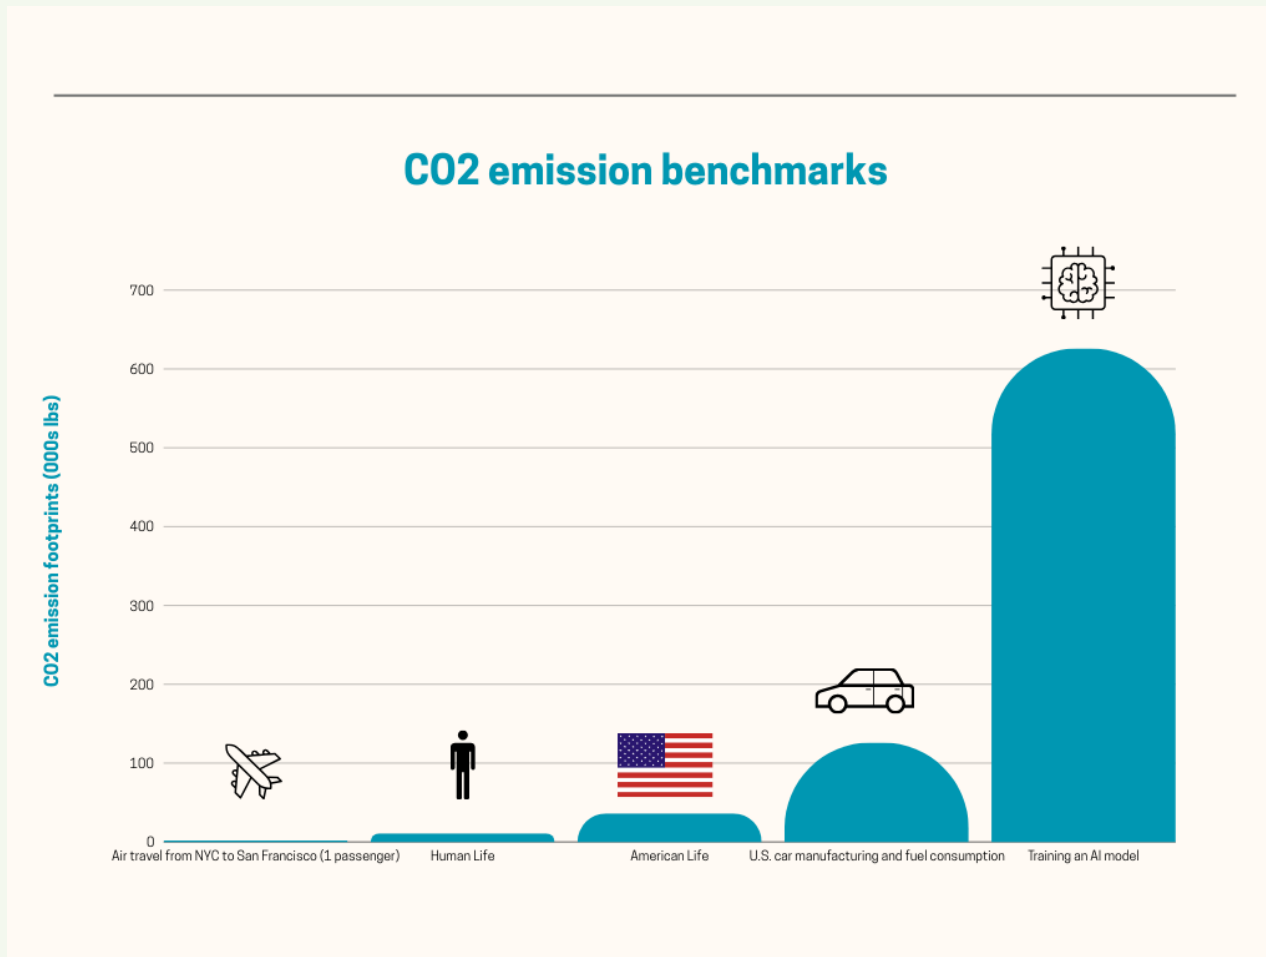

Privacy

Ethical

Ecological

What is ChatGPT good at doing?

- Answering queries
- Content writing
- Copyediting
- Summarising text
- Brainstorming
- Simple programming
- Translate languages
- Troubleshooting

How to use it:

1. Structure Questions

C – Context: What is the situation?

L – Limitations: Length, tone, format?

E – Examples: Show what you want

A – Ask clearly: Be specific

R – Role: Who should ChatGPT act as?

Structure Questions

Write something about marketing.

Or...

You are a marketing expert. Write a 200-word social media post promoting a new eco-friendly water bottle for young adults.

Structure Questions

Write an email.

Or...

Write a professional email to my manager asking for next Friday off. Keep it under 120 words.

Structure Questions

Help me plan a trip.

Or...

Be my travel agent and help me plan a 3-day budget-friendly trip to Queenstown, New Zealand. Include accommodation ideas, daily activities, and estimated costs. Present it as a day-to-day itinerary.

How to use it:

2. Clarify Accuracy

Ask for sources

- can you provide references and links
- is this based on research?

Ask for verification

- can you fact check this answer
- are there inaccuracies in this information?
- is this information up-to-date?

Hallucinations

- did you make up any sources or examples?
- can you confirm these names/events are real.

How to use it:

3. No Greetings

- You don't need please or thank you
- It is a tool not a person
- Wastes resources

Where does it live?

- Cloud based
- Search engines
- Apps
- Emails
